

```
1 #include <stdio.h>
2 int main()
3 {
4     int score = 70;
5     if(score >= 60);
6     {
7         printf("Students has passed.\n");
8     }
9     return 0;
10 }
```

Students has passed.
